Burr Ridge Police Investigate Armed Home Invasion

This bulletin is being sent to notify residents of a home invasion that occurred in Burr Ridge.

On May 5, 2015 at approximately 10:22 pm, Burr Ridge Officers responded to a report of a home invasion in the 8300 block of Clyndervan Road.

Preliminary investigation revealed a woman and her 5 children, ages 3-19, were at home when she was startled by three masked, male, intruders. The offenders searched the home for valuables and left after approximately 10 minutes.

Burr Ridge officers arrived and searched the home and the surrounding area with the assistance of a K-9 officer from the Willowbrook Police Department. The K-9 and handler indicated that the offenders likely fled the area in a vehicle parked nearby. A crime scene technician from the DuPage County Sheriff's office was requested to assist with processing the home for evidence. The women and three of her five children reported being either struck or held down by the offenders. Paramedics from the Tri-State Fire Protection District responded and treated the victims at the scene. No one required hospitalization.

The offenders were described as three males, all wearing hoods, with their faces covered by masks. One offender was armed with a black and grey semi-automatic handgun.

At this preliminary stage of our investigation, it does not appear that this was a random act.

While this incident remains under investigation, the Burr Ridge Police Department is asking that any person with information regarding this crime contact investigators.

To report any information, contact Detective Sergeant Michael Barnes, 630-323-8181, ext. 5120, or mbarnes@burr-ridge.gov.
